

Bellissima

DESIGN

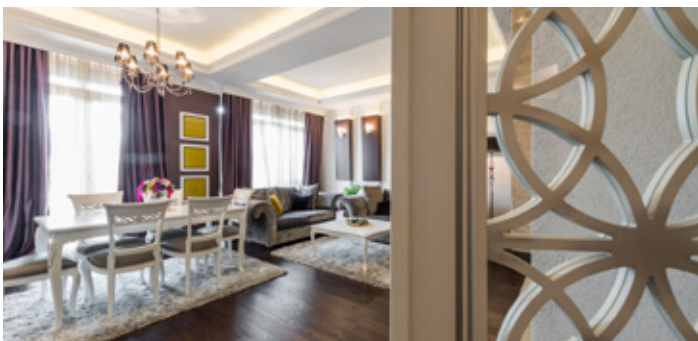

Maxwell's Plumbing & Heating Ltd. has partnered with Bellissima Design Ltd. to offer clients Design Consultation services for interior spaces.

Need some professional design advice to add style and polish to your latest project? Overwhelmed by the vast choices of materials available?

Offered as an additional service, our design expert will help you select materials such as fixtures, paint colours, wallpaper, tile, flooring, lighting, countertops, vanities, accessories and more to bring your renovation together.

The result? A coordinated, cohesive and professionally designed look. A perfect idea for those renovating a bathroom, kitchen or any other room.

Maxwell's Plumbing & Heating Ltd. customers receive a 20% discount off Design Consultation services. *discount is for consultation services only; items selected will be ordered/purchased by client

Contact Bellissima Design Ltd. to book your consultation today
